Executive Director, Ed Galligan

An Invitation from Port Executive Director

At the Port of Olympia, we welcome opportunities to provide information and answer questions regarding our vision, values and daily operations. Over the past 5 years, thousands of citizens have participated in Port information exchanges and tours. Many of the ideas stemming from those dialogues have led to new initiatives or the implementation of operational improvements.

If you would like to learn more about the Port, or share your ideas for enhancing our community impact, please contact me directly to set up a tour or time for a conversation. I look forward to the chance to meet in person and include other Port staff in the conversation. I can be reached by phone (360.528.8001) or email (edg@portolympia.com).

Thank you,
Ed Galligan
Executive Director

About the Port of Olympia

The southernmost deepwater port on Puget Sound, the Port of Olympia owns and operates an international shipping terminal that handles a range of breakbulk and project cargoes. The Port also owns and operates Swantown Marina & Boatworks, a 733-slip recreational marina and boat haul-out/repair facility, a regional airport and a growing real estate division.
