*Timothy J. Quandt, Senior Harbor Manager*

## **Gibboney Appoints Quandt Senior Harbor Manager**

Timothy J. Quandt (TJ) assumed the role of Senior Harbor Manager for the Port of Olympia in early December 2019 according to Sam Gibboney, Executive Director.

Quandt brings the Port a strong background in maritime, business operations, and customer service.

Most recently, Quandt worked at the Port of Port Townsend as Business Manager where he had oversight of three marinas, a boatyard, recreational vehicle park, and fuel dock. Previously, he served as assistant harbormaster, hoist operator, and commercial fisherman.

"The Port received many excellent applications for this position," said Gibboney, "And while the competition was close, we found TJ to be the best fit for the Port of Olympia. We are looking forward to having TJ on the Port's leadership team and working with him to move Swantown Marina & Boatworks into the future under his leadership."

### **About the Port of Olympia**

The southernmost deep-water port on Puget Sound, the Port of Olympia owns and operates an international shipping terminal that handles a range of breakbulk and project cargoes. The Port also owns and operates Swantown Marina & Boatworks, a 733-slip recreational marina and boat haulout/repair facility, a regional airport and a real estate division.
